## EDUCATION

---

- **Savitribai Phule Pune University** Pune, India  
*Bachelor of Engineering in Computer Engineering; CGPA: - 7.4* Nov 2022 – July 2025
- **Zeal College of Engineering and Research** Pune, India  
*Diploma in Computer Engineering; Percentage: 84.40%* Jun 2019 – July 2022

## EXPERIENCE

---

- **GameCloud Technologies Pvt Ltd** Pune, India  
*Game QA Tester* July 2022 – Dec 2022
  - **Manual Exploratory Testing** : To identify hidden defects and edge-case scenarios, ensuring product quality beyond scripted testing methods.
  - **Executed Regression Testing** : To validate bug fixes and confirm application stability across various builds, reducing risk of critical issues in production.
  - **Smoke Testing** : Identified and resolved high-priority defects during smoke tests, minimizing production downtimes and improving product readiness.
  - **Collaborated with cross-functional teams** : To ensure feature requirements were met and aligned with stakeholder expectations.
  - **Documentation** : Maintained comprehensive test documentation using tools like Jira and TestRail, contributing to streamlined reporting and traceability.

## Projects

---

- **Vehicle Showroom Webpage** / *HTML, CSS, MySQL* Jan 2022
  - Designed a user-friendly showroom website with secure login/signup and personalized access for customers.
  - Integrated MySQL backend to store and retrieve user profiles, vehicle data, and transaction logs efficiently.
- **Automatic Number Plate Recognition on Multiple Languages** / *Python, EasyOCR, OpenCV, PyTorch* May 2025
  - Engineered a smart recognition system to detect and extract number plates across regional Indian languages using deep learning and OCR.
  - Implemented EasyOCR with PyTorch for multilingual character recognition, and OpenCV for plate detection, image enhancement, and segmentation.

## Technical Skills

---

**Languages:** C, HTML, CSS, JavaScript, SQL

**Developer Tools & Platforms:** VS Code, Turbo C++, Git, GitHub

**Testing & Dev Tools:** Jira, TestRail

## Leadership / Extracurricular

---

- **OLX** Spring 2021 – 2024  
*Entrepreneur*
  - Achieved valuable key skills like Negotiation, Customer service, Online marketing, B2B .
  - Successfully sold over 100 + laptops and devices over OLX forging strong business connections.
  - Led and managed Clients and Deals genuinely with priority and respect to time with 97% win rate.
  - Established Trust in market, Hence connecting peoples from Mumbai – Pune – Kolhapur – Karnataka - Bangalore.
  - Expertise in communication and cooperation among people in native languages such as Marathi, English, Hindi.
